The Saint Paul Police Department Professional Development Institute is sponsoring a 1-day course **KRAV MAGA DEFENSE TACTICS SYSTEM FOR LAW ENFORCEMENT.**

This is a system intended for use by Military, Security and Law Enforcement Special Operations Units. Krav Maga directly translates to "Contact Combat" and is an official self-defense and close-quarter combat system of Israeli Defense Force (IDF) and Israeli security apparatus. Krav Maga has been taught to hundreds of Law-Enforcement agencies and thousands of civilians in United States.

Krav Maga is a modern, reality based method of training. The Krav Maga defensive tactics training is characterized by a logical & progressive approach to learning that results in a highly effective, easy to learn, natural and practical method of hand to hand combat for real life violent encounters.

Michael Rozin is a well known Krav Maga instructor amongst the Law Enforcement community in the Twin Cities. He served as a Sergeant in a specialized infantry unit in the Israeli Defense Forces. During his deployment Michael participated in operations at the West Bank, Syrian and Lebanon border. After his military service he joined the Israeli Airport Authority where he worked as a security agent for Ben-Gurion International Airport in Tel Aviv under the supervision of the Israeli Security Agency, (Shin Bet). Part of Michael's training at Ben Gurion Airport included advanced Krav Maga training.

Michael Rozin has taught a number of classes to Security, local Law Enforcement and Federal Agencies. Michael is a graduate of the Institute of Counter-Terrorism in the Interdisciplinary Center in Hertzliya, Israel where he attended a Masters Level Executive Counter-Terrorism Studies program. He is fluent in Russian, Bulgarian, Hebrew and English.
